COVID-19 Procedures

Keeping Everyone Safe

What We are doing to Protect us, and You!

- Wear Masks during the operation
- Keeping 6ft apart from clients and the general public
- Sanitizing before and after shoots
- Social Distancing
- Flu Vaccinations for staff
- Using the Canada COVID Alert App

Meeting Procedures

- If at house:
 - We will knock on door or ring doorbell
 - We will then stand back 6 feet
 - We can talk then from a safe distance
- If at a work site or Location
 - We will set a meeting location ahead of time
 - Once we meet, both parties must be wearing masks.

“

Stay Safe!

”

Remember to wash your hands for at least 20 seconds before and after a shoot!

This concludes the safety presentation.
